

Sunvic Controls Ltd

Health and Safety Policy Statement

The owner and directors of this company regard the promotion of health and safety measures as a mutual objective for management and employees at all levels.

It is therefore the companies policy to do all that is reasonable to prevent personal injury and damage to property and to protect everyone from foreseeable work hazards including the public insofar as they come into contact with the companies products and projects.

1. IN PARTICULAR THIS COMPANY HAS A RESPONSIBILITY:

- To provide and maintain safe and healthy working conditions taking account of any statutory requirements,
- To provide training and instructions to enable employees to perform their work safely and efficiently.
- To make available all necessary safety devices and protective equipment and to supervise their use.
- To maintain a constant and continuing interest in health and safety matters applicable to the companies activities in particular by regular consultation with employee representatives on a properly constituted safety committee.
- To ensure that the requisite professional expertise is applied either by consultation or by appropriate staff training to maintain or improve health and safety standards.
- To ensure that the organisation for implementation of general safety policy statement is maintained and applied at all appropriate levels.

2. Employees have a duty to co-operate in the operation of this policy

- By working safely and efficiently
- By using the protective equipment provided, and by meeting statutory obligations.
- By reporting incidents and dangerous occurrences that have led, or may lead, to injury or damage.
- By adhering to company procedures, agreed jointly on their behalf, for securing a safe workplace.
- By assisting in the investigation of accidents, incidents and dangerous occurrences with the object of introducing measures to prevent re-occurrence.
